OUR VISION

At the Aurora International Golf Academy, we offer a comprehensive learning environment that enables our students to make rapid improvements in their golf skills. Our academy boasts exceptional facilities designed to cater to all aspects of golf instruction. Our newly constructed indoor/outdoor academy building is climate-controlled and features two state-of-the-art TrackMan Teaching Studios. Additionally, we provide a spacious double-ended range with two grass tees, two practice putting greens, and a large area dedicated to honing short game skills.

To ensure the best learning outcomes, our team of experienced PGA Professionals assesses each player individually and leverages the latest technology to enhance their technique and understanding of the game. We are dedicated to assisting golfers of all levels and backgrounds in learning, improving, and deriving enjoyment from the sport.

Our instruction covers a wide range of golf aspects, including the full swing, short game, putting, on-course performance, club fitting, golf psychology, and golf fitness. Whether you prefer private lessons, small group sessions, or participating in a golf school, we offer flexible class options to suit your preferences.

"By combining the professional expertise of our team with cutting-edge coaching methods and exceptional practice facilities, we provide everyone with the optimal opportunity to learn and enhance their golfing abilities. We eagerly anticipate the opportunity to help all individuals maximize their enjoyment of the game."

Richard Phillips, PGA Head Professional

JUNIOR DEVELOPMENT PROGRAM AT AURORA INTERNATIONAL GOLF ACADEMY

Our junior development program welcomes children aged 6-17 years old, offering three class options and providing all necessary equipment.

After School Golf

Classes are conducted on the practice areas, with a focus on learning and improving essential techniques such as full swing, pitching, chipping, and putting.

Avalon Linksters

Classes are conducted on the Avalon Links short course and cover essential on-course skills such as course management, shot selection and basic rules and etiquette.

Full Program

Classes combine the After School and Avalon Linksters programs and are held on the practice areas and Avalon Links short course.

Places are limited to 16 juniors per class to ensure a maximum of 8:1 junior to coach ratio.

Please contact us at golf@auroraanguilla.com for pricing and availability.

Scholarships are available to all children of Anguilla whose families require financial assistance.
