MOONLIGHT MARTINI | 12

"WHERE THE NIGHT SLOWS DOWN AND THE GLASS SPEAKS FIRST"
Moonlight Martini is all about precision and elegance.

Inspired by evenings on the island calm, polished, and unhurried, this Martini is clean, beautifully chilled, and very elegant. Made with Monkey 47 Gin, dry vermouth and a dash of orange bitters. It's just a perfectly balanced martini.

COCONUT-WASHED VODKA MARTINI | 12

OUR SIGNATURE MARTINI

Incredibly smooth and understated. We gently wash the vodka with coconut to soften the spirit, but there's no sweetness at all. What you get is a silky texture and the faintest tropical note that shows up at the finish. It's elegant, clean, and very Caribbean.

MIDNIGHT ESPRESSO RUMTINI | 12

AFTER-DINNER INDULGENCE | SMOOTH, NOT SWEET

This is our favorite after-dinner cocktail. We use an aged rum, which gives it warmth and depth. It's blended with fresh brewed espresso, Kahlua and just a touch of vanilla, not sweet, very smooth, and incredibly refined.
